CONNECTING LEADERS IN AI, BIG DATA, BUSINESS & TECHNOLOGY

AI IN A WORD

In December 2019, Berlin will host the 3rd edition of Future of AI, a must-attend event that will bring together AI, technology and business leaders, startups and investors from around the world, to discuss the latest in AI and innovation disrupting businesses and organisations from across a wide range of industries.

Traditional industries are being disrupted at a faster pace than ever before by innovative technologies, including AI and big data. Companies that fail to innovate will eventually disappear.

The question is: do you have the knowledge, skills, technology and network to thrive in this competitive environment?

Future of AI is here to give you the tools and access to the fast growing AI community of startups, investors, business and technology corporate leaders passionate about AI.

Join us as we take a look at the future and the present of AI!

ENJOY EXPOSURE IN 3 LEADING CO-LOCATED EVENTS

WATCH THE BEST AI STARTUPS IN OUR STARTUP COMPETITION FINALS

Future of AI Europe 2019 will host the finals of our startup competition with the most innovative and disruptive startups building products & services using AI.

This competition is now in its 3rd year. Our notable alumni include: Senecio Robotics, Dataloop and Printsyst.

Our top-10 finalists will pitch live at the conference and be evaluated by our judges, investors and the audience.

The competitors will gain unparalleled exposure, attention and guidance in their journeys going forward.

Our partners and sponsors will receive branding and business development benefits with the early stage startup community.
